

## You Borrowed

Helmet

I'll throw you scraps and talk  
the bad things  
the language or the motive  
affected shown is

self imitating  
trust the dying breed  
the pitch I made has been

on my end I trust in  
what's left here  
to lie is  
admired your trust in  
without fear  
you borrow

my world of one speak up  
the good things  
the guidelines let me follow  
offense is borrowed
