

Leave Me Here

Hem

I should wake up this town
my heart's on fire
main road and no one's around
as the flames climb higher
i have been here before
and i know the way
but love seemed sweeter and sure
in the light of the day

so as i rise, i will reach for the livin'
and i'll say no prayer
cause tonight he brought me to heaven
and left me here

i could tell by his face
those two tired eyes
it's been a long night searching for grace
now the sun won't rise
now i have been here before
though i know i am lost
cause the same place that filled me with joy
is just a road i crossed
just a road i crossed

so as i rise, i will reach for the livin'
and i'll say no prayer
cause tonight he brought me to heaven
and left me here

so as i rise, i will reach for the livin'
and i'll say no prayer
cause tonight love feels nothing like heaven
don't leave me here
