## **Living Without You**

The milk truck hauls the sun up And the paper hits the door The subway shakes my floor And I think about you

Time to face the dawning gray Of another lonely day It's so hard Living without you

It's so hard It's so hard It's so hard Living without you

Everyone's got something They're out tryin' to get some more They got something to get up for But I ain't about to

Nothin's gonna happen Nothin's gonna change It's so hard Living without you

It's so hard It's so hard It's so hard Living without you

So hard So hard So hard
