

Radiation Vibe

Hem

Are you alone now?
Did you lose the monkey?
He gave you backaches.
And now you slouch.

He didn't mean it.
He's just a dumb ape.
Reading Playboy on your couch.

And now it's time to say, what I forgot to say:
Baby, baby, come on, what's wrong?
It's a radiation vibe I'm groovin' on.
Don't it make you want to get some sun?
Shine on, shine on, shine.

I went to Pittsburgh, and joined a Pro team.
Talk about a bad dream;
Broke my knee.
But I can still croon, make all the girls swoon;
Ain't that the way life's meant to be?

And now it's time to say, what I forgot to say:
Baby, baby, come on, what's wrong?
It's a radiation vibe I'm groovin' on.
Don't it make you want to get some sun?
Shine on, shine on, shine.

And now it's time to say, what I forgot to say:
Baby, baby, come on, what's wrong?
It's a radiation vibe I'm groovin' on.
Don't it make you want to get some sun?
Shine on, shine on, shine.
Shine on, shine on, shine.
