

Sailor

Hem

I'm not a sailor
I'm not so strong out of my shoes
Dragging like anchors

Over the ocean
Pearls in the sky strung 'round the moon
Pointing to you

So I'll sail till morning
Or I'll sail till I
Carried to you tonight

I'm not a sailor
But I'll spend the night out on the sea
Out on the sea

And I'll sail till morning
Or I'll sail till I
Carried to you tonight
Tonight, tonight
