

## Skip A Rope

Henson Cargill

Skip a rope skip a rope  
Oh listen to the children while they play  
Now ain't it kinda funny what the children say  
Skip a rope

Daddy hates mommy mommy hates dad  
Last night you should've heard the fight they had  
It gave little sister another bad dream  
She woke us all up with a terrible scream

Skip a rope skip a rope...

Cheat on your taxes don't be a fool  
Now what was that they said about the golden rule  
Never mind the rule just play to win  
And hate your neighbor for the shade of his skin

Skip a rope skip a rope...

Stub 'em in the back that's the name of the game  
And mommy and daddy are who's to blame

Skip a rope skip a rope  
Just listen to your children while they play  
It's really not very funny what the children say  
Skip a rope skip a rope  
Skip a rope skip a rope
