

Lost In Tensions?

Hentai Corporation

Why don't you dream of more love, love
Why don't you dream of more hope, hope

Go down through the holy cave
To Maharishi's might
Listen to his heart
He holds the sugar flame
That will bring peace to crowds

Why don't you dream of more love, love
Why don't you dream of more hope, hope

Go down through the holy cave
To Maharishi's might
Listen to his heart
He holds the sugar flame
That will bring peace to crowds

Go home to the Sunny Lanes
Find Mononoke's shrine
Hold her tender hands
Then you will understand
Your false passion and lies

Shadow! Tensions! Sorrow!
Why don't you dream of more
Shadow! Tensions!
Why don't you dream of more, more..
