

Tragedy Of Uncle Hitler

Hentai Corporation

Cold! Deathclaw is risin'!
Sadness! Charade!
Sadness! Charade!
The monster has come

For her straight lips
I would do everything
For her round hips
I would kill the bitch Göring

Fascinated by Eve's pussy,
I'm loosing my head
I used viagra - edition Blitzkrieg
I'm a prisoner of the Eagle's Nest

As an old clown drowned in fear
Adolf will disappear
As an old clown drowned in tears
hard ons' re coming with leer

Adolf my dear, Adolf my sweet,
conquer more countries for me!
then I'll agree, then I'll agree
with all that you will do with me

Adolf my dear, Adolf my sweet,
conquer more countries for me!
then I'll agree, then I'll agree
SS - a tricky shemale

Freeze! Deathclaw is fallin'!
The Brutal Parade!
The clown was born

For her boobies
I would rebuild Auschwitz
For her brisk dreams
I would deal with Stalin

Fascinated by Eve's pussy,
I'm loosing my head
she organized a gangbang in the bunker
sears imploded satanic breath

As an old clown drowned in fear
Adolf will disappear
As an old clown drowned in tears
hard ons' re coming with leer

Adolf my dear, Adolf my sweet,
conquer more countries for me!
then I'll agree, then I'll agree
with all that you will do with me

Adolf my dear, Adolf my sweet,
conquer more countries for me!
then I'll agree, then I'll agree

with all that you will do with me, with me, with me

Adolf my dear, Adolf my sweet,
conquer more countries for me!
then I'll agree, then I'll agree
with all that you will do with me
