

# Would You Give Me More?

Hentai Corporation

Get away from gravity, you pongy slave  
And away! Tragedy! C'mon be brave!

You're crunk no more deep admiration, yeah  
I know, I know  
You're just the bitter dream  
You're sunk, it's time for operation, yeah  
I know, I know  
My Pyocolpocele

What's wrong mark? Follow me  
Make it easy, deadly melody

Hoochie mama's viral saturation  
Hoochie mama, I'll kiss your fear  
Hoochie's mama mental detonation  
Hoochie mama, I'll set you free

Always, you'll be always mine  
Always, you punk!  
Would you give me more?

Love, I need you  
Love, I'll taste your cry  
Don't you feel atom harmony, yeah  
Love, I need you  
Love, I own your right  
To sing your acid melody

Always, you'll be always mine  
Always, you punk!  
Would you give me more?
