

## Holiday For Clowns

Hep Stars

There should be a holiday for clowns  
There should be a big parade downtown  
So girls like you could see  
What fools you've made of guys like me  
A day that clowns don't have to hide  
The feelings that they have inside  
Oh, there should be a holiday for clowns  
A day for guys like me to paint the town  
A festive clown affair  
To make believe that we don't care  
A special day, a holiday for clowns  
Time after time I have tried to say goodbye to you  
But somehow when I try to leave you  
I just can't go  
I love you so  
If there could be a holiday for clowns (there should be a holiday)  
I would lead the big parade downtown (I would the big parade)  
And see you standing there  
And tell myself that I don't care  
But we both know that that's not true  
Tomorrow I'll be back lovin' you  
Oh, there should be a holiday for clowns (there should be a holiday)  
There should be a big parade downtown (I would the big parade)  
If I could have my way  
Just once a year there'd be a day  
A special day  
A holiday for clowns
