

# It's Been A Long Long Time

Hep Stars

Here I'm sitting in the rain  
waiting for my homebound train  
All I need's to sing me a song  
Telling me this is the end  
in the morning you're home again  
Soon you'll know what's right and wrong  
It's been a long long time  
It's been a long long time  
It's been a long long time  
Since the day I left you  
Raindrops coming down my face  
Places passing by in haste  
Memories of things I used to know  
Remember you  
the things you used to do  
Remember how the wind could blow  
It's been a long long time  
It's been a long long time  
It's been a long long time  
Since the day I left you

Mmmmmmmmmmm...

Say, it's gonna be a long long time  
since I left you far behind  
Here I'm sitting in the rain  
waiting for my homebound train  
All I need's to sing me a song  
Telling me this is the end  
in the morning you're home again  
Soon you'll know what's right and wrong  
It's been a long long time  
It's been a long long time  
It's been a long long time  
Since the day I left you

Mmmmmmmmmmm...

Say, it's gonna be a long long time  
since I left you far behind
