

What Do You Want To Make Those Eyes At Me For

Hep Stars

What do you want to make those eyes at me for
When they don't mean what they say
They make me glad they make me sad
They make me want a lot of things that I never had
You're fooling around with me now
And you lead me on and then you run away
Well that's alright I'll get you alone some night
And baby you'll find you're messing with dynamite
So what do you want to make those eyes at me for
When they don't mean what they say
What do you want to make those eyes at me for
When they don't mean what they say
They make me glad they make me sad
They make me want a lot of things that I never had
You're fooling around with me now
And you lead me on and then you run away
Well that's alright I'll get you alone some night
And baby you'll find you're messing with dynamite
So what do you want to make those eyes at me for
If they don't mean what they say
If they don't mean what they say
