

Young And Beautiful

Hep Stars

You're so young and beautiful and I love you so
Your lips are red, your eyes that shine
Same as stars that glow
So fill these lonely arms of mine and kiss me tenderly
Then you'll be forever young and beautiful to me

You're so young and you're so beautiful
You're everything that I've ever...
Your radiant smile and your gentle touch
It's all that I've been dreaming of

So take this heart I offer you and never set me free
Then you'll be forever young and beautiful to me
