## Same Song Sing Along

## **Her Space Holiday**

People keep confusing things Just pick up a magazine From the billboard adds to the TV Screen You shake your head and say that's not me On and on and on and on Let them push that one note song You don't have to sing along Your inside beauty is coming out strong

I don't have to sing along You don't have to sing along We don't have to sing along We don't have to sing at all

On and on and on and on Let them push that one note song You don't have to sing along Your inside beauty is coming out strong

I don't have to sing along You don't have to sing along We don't have to sing along We don't have to sing at all

On and on and on and on Let them push that one note song You don't have to sing along Your inside beauty is coming out strong

I don't have to sing along You don't have to sing along We don't have to sing along We don't have to sing at all
