

Do You Feel the Same?

Hercules and Love Affair

The hardest lesson for me
Through the pain, through it all
Was love is not possession
I had to let you fall
I know you have your needs
But did you ever see?
The fact I felt the need for you
Was there a need for me?

Tell me what you know
The time I let it go

And if I burn down the city,
Would you put out the flame?
Or if it all ends in ashes,
Would you still say my name?
Tell me, did you feel the same?

Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?

The next time I get to heaven
I'll make sure I'm not there alone
Got so caught up in emotion
Didn't realize you might be gone
You treat love so carelessly
Don't think you'll ever see
The fact I felt the need for you
Was there a need for me?

Tell me what you know
The time I let it go

And if I burn down the city,
Would you put out the flame?
(Do ya, do ya, do ya, do ya feel the same?)
Or if it all ends in ashes,
Would you still say my name?
(Do ya, do ya, do ya, do ya feel the same?)

And if I burn down the city,
(If it burns.)
Would you put out the flame?
(Do ya, do ya, do ya, do ya feel the same?)
Or if it all ends in ashes,
Would you still say my name?
(Do ya, do ya, do ya, do ya feel the same?)
Tell me, did you feel the same?

Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya? (8x)

Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
(Did you feel the same?)

Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
(Did you feel the same?)
(Did you feel the same?)
Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
(Ooooooh)
Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
(Feel the same)
Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
(Haaaaah)
Do ya, do ya, do ya, do ya feel the same?
Do ya, do ya, do ya?
