Never Regret

Here Comes the Kraken

Don't regret what you did As this light approaches With a thousand eyes on me I want all sir I will bring dead to all those who clorify what we came to crush The rising abyss of possessed and damned I will bring now your life to this circle of death I will bring dead to those who clorify What we came to crush Hate greed and death This is my prophecy Hate greed and death My prophecy I'm never going to regret I promise I will never fail This is the end My soul is condemned, condemned like you all Eternal whispers of entire legion Hate greed and hate, hate greed and death This is my prophecy Hate breed and death, this is my prophecy Hate greed and death, my prophecy I'm never going to regret I promise I will never fail I know I will never, I know I will never regret Condemned you all, you all I'm never going to regret I promise I will never fail I know I will never, I know I will cnever regret Condemned you all You burn in my mind begging me You breed my hate begging me When you see what I have become Promises will keep you away from me Cause I know that you have pray for You better pray for this shit you have become Hate greed and death This is my prophecy Hate greed and death This is my prophecy Hate greed and death This is my prophecy Hate greed and death

The demons are going to eat you alive The demons will turn you evil The demons are going to eat you alive The demons will turn you evil Tištěnoz www.txp.cz
