

## Got A Feeling

Herman's Hermits

Got a feelin' about you  
Got a feelin' that won't quit, baby  
Got a feelin' about you  
Somethin' sayin' this is it, baby  
Just hear my heart double beat  
And it scares me too  
I walk down the street  
Every face is you  
Yes, it's you

Got a feelin' I'm fallin'  
Got a feelin' I'm too far gone now  
Got me reelin' and callin'  
Listen baby, we must go on now  
I'll stick with you  
I'll stick like glue until you  
Got a feelin' all about me too

Got a feelin' I'm fallin'  
Got a feelin' I'm too far gone now  
Got me reelin' and callin'  
Listen baby, we must go on now  
I'll stick with you  
I'll stick like glue until you  
Got a feelin' all about me too

Got a feelin' all about me too  
Got a feelin' all about me too
