

Make Me Happy

Herman's Hermits

I wanna go, where You go
In the sun in the snow
Make me happy

Let me share, what You share
Every smile, every care
Make me happy

Give me the right
To feel each day and night
With love, that's forever
Love, that will never fade out of sight

Don't make me beg
Make me plead
To be everything You need
Make me happy
Make me happy
Make me happy

Give me the right
To feel each day and night
With love, that's forever
Love, that will never fade out of sight

Don't make me bag
Make me plead
To be everything You need
Make me happy
Make me happy
Make me happy
