

Mum And Dad

Herman's Hermits

Mum and Dad used to
So they say
Mum and Dad used to
Everyday
So why can't you
And why can't I begin to
I think we ought to
Every boy needs to
With a girl
Every boy needs to
In this world
It's been that way
Since time began

Only names and faces change the way
They play their games the same as
Mum and Dad
Yeah, yeah, yeah
Mum and Dad
Yeah, yeah, yeah
Mum and Dad
Yeah, yeah, yeah
You and I should do
The same as Mum and Dad used to

Mum and
Mum and Dad used to
So they say
Mum and Dad used to
Everyday
So why can't you
And why can't I
Begin to
I think we ought to
We'd better
Begin to fall in love
Yeah, yeah, yeah

Mum and Dad used to
So they say
Mum and Dad used to
Everyday
So why can't you
And why can't I
Begin to
I think we ought to
We'd better
Begin to fall in love
Yeah, yeah, yeah

Mum and Dad
Yeah, yeah, yeah
Mum and Dad
Yeah, yeah, yeah
Mum and Dad
Yeah, yeah, yeah
You and I should do

The same as Mum and Dad used to
