

# Football's Coming Home

Hermes House Band

(We're coming home, we're coming home,  
football's coming home.)

Put your hands in the air now.  
(We're coming home, we're coming home,  
football's coming home.)

We still believe. (We still believe)  
we still believe. (We still believe)  
It's coming home, it's coming home, it's coming,  
football's coming home.  
It's coming home, it's coming home, it's coming,  
football's coming home.

Tear's for heroes dressed in grey,  
no plans for final day, stay in bed, drift away.  
It could have been all songs in the street,  
it was nearly complete it was nearly so sweet.  
And now I'm singing hereos in their shirts,  
everybody's gleaming, no more years of hurt,  
and no more need for dreaming.

Strophe

Talk about football coming home, you'll never walk alone,  
we were weak, but we've grown.  
And now I see us ready for war, it's as good as before.  
now we're going for more, the crowd is screaming,  
heroes in their shirts, everybody's gleaming,  
no more years of hurt, no more need for dreaming.
