

## Prepare To Revolt

Hermh

Incline your forehead to receive the sign  
Incline yourself low to worship  
Here's the reward  
Habitation of eternity  
Here's the reward  
Sit close at my side

I am who million and one time hunted  
Lose for me is to give away everything  
Our kingdom - eternity of redness  
Our kingdom - lair of desime

Time of assembly is close  
Time of harvest comes  
Follow the hand of power  
Follow the sign of ancient eternities  
Keys are within me  
Code is my body  
Time of assembly is close  
Time of harvest comes

Consume for the last time the communion of power  
Soak ritually the hands in my flesh  
Touch the heart  
Bring forth destruction  
Touch the soul  
Gaze into future

Prepare your body  
For the baptism of the dead one  
Mysteries of the universe threshold you cross today  
And again - I am the master  
You necromancer  
Boundaries made from today are no more  
Boundaries of the universe you now appoint  
Revolt time is now  
Time to start infecting  
Let the virus of eternity achieve triumphs  
Let the virus of eternity rule over them

I put aside my hand from your temple  
Blessed for ever  
Blessed you are by THEM!
