

I don't like what you have to offer  
Just shut the hole under your nose  
Been listening to the fucking whining  
And now I got one thing to say  
Found your lack of vision  
Disturbing to say the least  
You shouldn't be doing what you're doing  
When you're cut you bleed, bleed like me

One man's trash is another man's treasure  
One man's pain is another man's pleasure

So...

Don't give me that hooker with a heart of gold  
Don't give me that hooker with a heart of gold

A gargantuan clusterfuck  
Is what you have become  
The fucking money corrupts everyone  
With it's power destroys all, under the sun  
Never surrender(no surrender)  
Never submit  
Always remember  
Never forget

One man's trash is another man's treasure  
Just like one man's pain is another man's pleasure

So...

Don't give me that hooker with a heart of gold  
I said don't give me that hooker with a heart of gold

Rip it, shred it  
The very fabric of your life

[Cello solo]

One man's trash is another man's treasure  
One man's pain...  
One man's pain becomes your pleasure

So...

Don't give me that hooker with a heart of gold  
Don't give me that hooker with a heart of gold, no  
I said don't give me that hooker with a heart of gold  
bullshit
