

# Terribly Stable

Hey Ocean!

We're going out tonight, it's starting  
We're more than ourselves, we are  
A party, party

Oh like a lion attack with sun  
To leave us with the flaws and run

La da da da da da da da  
Ba la da da da da da da

Out of time and out of place  
We'll dance our last dance  
'Till the floor breaks  
We'll bring this building down  
We'll bring this building down

With our own flesh and blood  
With our own

You've got the midnight corner from me  
This liquid loosens my lips and  
Body, body

It all happened so fast  
Attack, attack  
I saw the flash  
Information travels faster  
Your arms scream for this disaster

La la la la la la la la  
La la la la la la la la

Out of time and out of place  
We'll dance our last dance  
'Till the floor breaks  
We'll bring this building down  
We'll bring this building down

Tonight we're terrible  
Destroy our best around  
We'll bring this building down  
We'll bring this building down ourselves  
We'll bring this building down ourselves

With our own flesh and blood

La da da da da da

Out of time and out of place  
We'll dance our last dace  
'Till the floor breaks  
We'll bring this building down  
We'll bring this building down

Tonight we're terrible  
Destroy our best around  
We'll bring this building down

We'll bring this building down ourselves  
We'll bring this building down ourselves

With our own  
With our own
