

## Hero

Hey! Say! JUMP

Let's go to the place you've never been  
Don't stop! I am here if you need me  
You know what?  
That you are my hero, yeah x3

3, 2, 1, Go!  
Once upon a time there was a shadow flying in the sky  
We could barely see  
Is it a bird? or a plane? or rain?  
It's a hero!

I am your biggest hero  
"Impossible is I'm possible"  
If there's a favor for me to do, it's a piece of cake!

If there's difficulty, I'll be your identity  
As you need me, I need you  
3, 2, 1

Let's go to the place you've never been  
Don't stop! I am here if you need me  
I wanna let you know  
You are my everything  
Once again! Twice again!  
Your smile saves the earth  
You know what?  
That you are my hero, yeah x3
