

# Paper Doll

Hey Violet

Who's right, who's wrong?  
Who cares?  
Life's short, life's long  
It's everywhere

I won't waste my time with you  
Unless you give me truth  
I won't waste my time on proving  
Time is wasting you

I'm not here to break your fall  
I won't be your paper doll

I'm not the kind to control  
What you're trying to do, well  
You'll never get to my soul  
Though you're trying to, you never will

I'm not here to break your fall  
I won't be your paper doll

Who's hurt, who's healed?  
Who cares?  
We fall, we break our tone and scare

I have bitten sweet for you  
Until I'm black and blue  
I have wasted breath on you  
Until the hatred grew

I'm not the kind to control  
What you're trying to do, well  
You'll never get to my soul  
Though you're trying to, you never will

I'm not here to break your fall  
I won't be your paper doll

I'm not here to break your fall  
I won't be your paper doll

Whoaaa... whoa...  
Whoaaa... whoa...

When you think I've made  
A million tears from thou  
You'll be on your knees  
Wishing you could go back, back somehow

I'm not the kind to control  
What you're trying to do, well  
You'll never get to my soul  
Though you're trying to, you never will

I'm not here to break your fall  
I won't be your paper doll

I'm not here to break your fall  
I won't be your paper doll
