

Have A Nice Day

Hey

Who said the past is finished
Who said the future is before me
Who is gonna show me a way
When time stops and time is never ending
I said the past is finished
I said the future is before you
I'm gonna show you a way
When time stops and time is never ending
Nobody said the past is finished
Nobody said the future is before you
Nobody gonna show you a way
When time stops and time is never ending
Have a nice day
