

## One Of Them

Hey

One of them  
Gonna teach You  
How to drink  
And one of them  
Gonna put dirty hands  
On Your skin  
Sugar!  
One of them  
Gonna marry You  
In next year  
And one of them  
Gonna give You child  
In next year  
Sugar!  
You better kill yourself now!
