

Hold Out

Hezekiah Walker

Hold out, He's coming soon;
nobody knows the hour,
morning, night, or noon.

You've been waiting so patiently
for the Lord to come.
Each and everyday you're praying
that His will be done.
Don't you dare give up my brother,
you just right there,
'cause you know one day
you're going to meet Him in the air.

Hold out.
