

# Let The Glory

Hezekiah Walker

Let the glory of the Lord  
Rest on me, rest on me, me  
Let the glory of the Lord  
Rest on me, me  
The anointing that destroys the yoke  
And sets the captives free, free  
Let the same glory live inside of me, me

The glory that comes from Thee  
Is so important to me  
It's more than fortune  
It's more than fame  
Without the anointing  
My success won't mean a thing  
My success won't mean one thing

Let the glory of the Lord  
Rest on me, rest on me, me  
Let the glory of the Lord  
Rest on me, me  
The anointing that destroys the yoke  
And sets the captives free, free  
Let the same glory live inside of me (Let the)  
Same glory live inside of me (Let the)  
Same glory live inside of me (Let the)  
Same glory live inside of me (Let the)  
Same glory live inside of me (Let the)  
Same glory live inside of me

Live inside of me, me
