

# Try Christ

Hezekiah Walker

Solo verse

Tried in every way  
Hope to see the day  
All the pain will be gone  
Problems linger on  
and it seems all hope is gone  
and you feel all alone

Trying to win the fight  
You tossed all night  
Looking for what's right  
The more you try  
To do what's right  
You can't see the light

What will you do to find the way out  
Try Christ
