

## My Sweet Dog

Hi-Standard

Good morning my sweet dog  
You're such a cute boy  
I can't think of life without you

Well, what is this smell?  
Something stinks here  
Oh God! You are shitting on my bed

I don't wanna clean up f\*\*kin' dog shit  
Again today I rubbed your nose in dog shit  
I don't wanna clean up f\*\*kin' dog shit  
Again today I rubbed your nose in dog shit

I'm playing a TV game  
It's so exciting  
I'm about to kill the biggest monster

Well, what is this noise?  
What are you crunching  
Oh God! It's a Hi-Standard CD!

I don't wanna clean up f\*\*kin' dog shit  
Again today I rubbed your nose in dog shit  
I don't wanna clean up f\*\*kin' dog shit  
Again today I rubbed your nose in dog shit
