

## Pathetic Man's Song

Hi-Standard

Why did you listen to that greedy bitch?  
Grabbing for pennies and  
Missing the gold  
You had everything in life  
But weren't satisfied  
Now you have nothing at all,  
You're covered in mud

Oh, pathetic man's song  
I feel for you but I don't care about you  
Oh, pathetic man's song  
You f\*\*ked bad

Power and money, there's never enough  
Why can't we be happy  
With what we have?  
If I were you would I do  
The same as you did  
Or can I learn from your mistakes  
What I should not do

Oh, pathetic man's song  
I feel for you but I don't care about you  
Oh, pathetic man's song  
You f\*\*ked bad

Oh, pathetic man's song  
I feel for you but I don't care about you  
Oh, pathetic man's song  
You f\*\*ked bad  
You f\*\*ked bad  
No one to blame but yourself
