

# The Sound Of Secret Minds

Hi-Standard

Learn and work and love someone  
Oh, getting older and tired  
You think your life cannot be like this  
But seasons pass by  
What are you waiting for?  
Can't you hear the sound?  
Your soul needs rescue

Listen, the sound of secret minds  
A tiny voice inside your heart  
A precious thing you should believe  
This is pure and true

I can hear the sound in your mind  
Oh, it's the sound of secret minds  
It is the one you used to hear  
When you were a little child  
Why don't you do it? Why can't you say it?  
Your soul needs rescue

Listen, the sound of secret minds  
A tiny voice inside your heart  
A precious thing you should believe  
This is pure and true

Let your heart beat for the world  
Your heart's beating, alive and beating  
Your heart is still beating loud and clear

Listen, the sound of secret minds  
A tiny voice inside your heart  
A precious thing you should believe  
This is pure and true
