

Wait For The Sun

Hi-Standard

I'm just a boy who makes mistakes.
Sometimes I feel like kicking my own rump.
Have no money, but big dreams.
Fight my way and wait for the sun.

Yes I still believe! Wait for the sun...

Don't make light of me. Don't make light of me.
I win by all means. I shall never give up.
Draw my chin, in a fighting pose.
Keep breathing through till I fall down.
Nothing gives me more pleasure than change the world.
