

## Where It Started At

Hi-Tek

Where do I Start?  
Let's see what they wanna hear?  
Let me see where I started at (Uh)  
Hood cats are part of where it started at (No doubt)  
We hustle hard to keep the sharks fear (Yeah)  
For the score go to war like a jarhead (Hi-Tek!!!)  
New York, New York, New York, New York, New York!!! (Woo!)  
New York, New York, New York, New York, New York!!!  
"We gonna take you all on a little trip to New York City!"  
With a first hello!  
(Jadakiss)  
Uh! Got alot of heart, best part is I'm clever too  
Hand skills, hard work, gun play whatever dude  
Ecstasy, oxy, vicodin, powder  
Ari, haze, diesel, sour  
Dust Juice, Lucy's, turbans, kufi's  
Hand guns is petite the shotties is doofy  
Talkin in is not nice, lot of niggaz got life  
Everything is good in my bank except cop dice  
Harlems, Jordans, the hood can't afford them  
So they bootleg them now everyday sport them  
Dorms, cells, packages, mail  
Warrants, bails, everything's real now  
Let me see where I started at  
Hood cats are part of where it started at  
We hustle hard to keep the sharks fear  
For the score go to war like a jarhead  
New York, New York, New York, New York, New York!!!  
New York, New York, New York, New York, New York!!! (Hi-Tek Hi-Tek, Papoose Pa-poose)  
With a first hello!  
All I got is my word and my nuts, man I got Brooklyn in my balls  
So you could see Bed-Stuy if you lookin in my draws  
Always talkin bout you ballin, look you wanna ball  
Word on the streets, niggaz ready to put you on the wall  
You just a leg shooter, you aim your gun low  
I shoot my tek high I keep a Hi-Tek like the producer  
Pap ripped the Desi, till that clip is empty  
Man I'll have black buried in the cemetary  
Go 'head get your fetti, but you better tell holmes  
Messin with me will get black buried like a cell phone  
Punks pay dues not me I pay attention  
Call it New York cause we keep reinventin  
Let me see where I started at  
Hood cats are part of where it started at {New York}  
We hustle hard to keep the sharks fear  
For the score go to war like a jarhead {New York}  
New York, New York, New York, New York, New York!!! {New York, New York}  
New York, New York, New York, New York, New York!!!  
With a first hello!  
Who flipped the vocabulary? Shadow my adversary buss 'em like capolaries  
Roaches and rats in every corner when it's warmer but New York is used to th  
at already  
Manhattan built the cemetarys where the blacks is buried  
I take the Staten Ferry I walk to Broadway  
I talk to chicks along the way with John Forte  
Used to do this all day burnin in the project hallway

Discussin strategies in the court case  
I rock the Northface cold like winter  
I'm from Brooklyn like the D-Cep and low life niggaz word  
Fuck the talking it's a New York thing  
We aboard but, all things considered we all kings, what  
Let me see where I started at  
Hood cats are part of where it started at  
We hustle hard to keep the sharks fear  
For the score go to war like a jarhead  
New York, New York, New York, New York, New York!!!  
New York, New York, New York, New York, New York!!!  
With a first hello!  
Aiyyo yo, I rhyme for the streets broke niggaz rap when they feast  
Who angry as hell, we yell from the beast  
Wise killers up in New York, who lay for peace  
Crime action get you trapped by the chief, no PC  
Proud and have the hood stylin good talent most of us tellin  
Drug wars, try to re-up, the law whylin  
Can't get no rest, the vest is on stress pound it  
Schemin on somethin green, we eagles on the chef found it  
While I take a trip back my first little pack  
Had to open doors no time for broads I was scopin crack  
Baggin like a newborn, barely profit beef pop off  
We carry tommy guns and smoke trees and grab pockets  
Pilgrimage life, real like with no money and no white  
I had this white girl who work for me wipin pipe  
Livin by the sword, a hundred niggaz daily  
Who get on board and kill for some proper live on them acres board  
Let me see where I started at  
Hood cats are part of where it started at  
We hustle hard to keep the sharks fear  
For the score go to war like a jarhead  
New York, New York, New York, New York, New York!!!
