

## Flowers Bloom

High Highs

When flowers bloom  
Even in the spring time  
We came for two  
Sail on the sea  
Some people  
They want you  
Lifting all your lift  
We keep your eyesight  
On the boat  
Oh, ohhh, ohhhh, oohhhhh  
Oh, ohhh, ohhhh, oohhhhh

When reached the wall  
Even in awhile you sit  
In a windy ocean  
Far from me  
Some people they want you  
Dripping on your feet  
We keep your eyesight

Oh, ohhh, ohhhh, oohhhhh  
Oh, ohhh, ohhhh, oohhhhh
