In A Dream

So wait a while Won't you back off the road So give me time To show all you write

In a dream I saw all the sun in the sky If you would believe me If you would stay a while Come on in I know that you feel the same

I'm going away For a while To sleep away I'll only ring in due time

In a dream I saw all sun in the sky If you would believe me If you would stay a while Come on in I know that you feel the same

If you would believe me If you would stay a while Stay a while Stay a while

High Highs
