

## Surrounded By Thieves

High on Fire

Icy caverns  
Holds man traveler  
Ancient relic  
Reveals secrets

Transform human  
Beyond mortal  
Learnt forboding  
Sacred tempest

Up to their bridles in blood  
The wars of the Earth have begun  
The sunless age comes so it seems  
The cities surrounded by thieves

Rich man he lusts for gold  
Still there are slaves to be sold  
Woe to the one who had saved  
The cities surrounded by graves
