Take my hand, take a breath
Pull me close and take one step
Keep your eyes locked on mine,
And let the music be your guide.

Won't you promise me (now won't you promise me, that you'll never forget)

We'll keep dancing (to keep dancing) wherever we go next

It's like catching lightning the chances of finding someone like you

It's one in a million, the chances of feeling the way we do

And with every step together, we just keep on getting better

So can I have this dance (can I have this dance) Can I have this dance

Take my hand, I'll take the lead And every turn will be safe with me Don't be afraid, afraid to fall You know I'll catch you through it all

And you can't keep us apart (even a thousand miles, can't keep us apart)

'Cause my heart is (cause my heart is) wherever you are

It's like catching lightning the chances of finding someone like you

It's one in a million, the chances of feeling the way we do

And with every step together, we just keep on getting better $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1$

So can I have this dance (can I have this dance) Can I have this dance

Oh no mountains too high and no, oceans too wide 'Cause together or not, our dance won't stop Let it rain, let it pour What we have is worth fighting for You know I believe, that we were meant to be

It's like catching lightning the chances of finding someone like you (like you)

It's one in a million, the chances of feeling the way we do (way we do)

And with every step together, we just keep on getting better

So can I have this dance (can I have this dance) Can I have this dance

Can I have this dance Can I have this dance
