

Right Here Right Now

High School Musical

Hmm yea
Hey yea
Can you imagine what would happen
If we could have any dream
I wish the moment was ours to
Own it and that it would never leave

Then I would thank that star
That made our wish come true
Oh yea cuz he
Knows that where you are
Is where I should be too

RIGHT HERE RIGHT NOW
I'm looking at you and my
Heart loves the view cuz
You mean everything
(Everything)
RIGHT HERE
I'll promise you somehow
That tomorrow can wait
For some other day to be
(To be) but right now
There's you and me

If this was forever what
Could be better we already
Proved it was but in 2123
Hours abandon the universe
Gonna make you everything
In our whole world change
(It's our change, yea)

And you know that where we
Are will never be the same
Oh no oh no

RIGHT HERE RIGHT NOW
I'm looking at you and my
Heart loves the view cuz
You mean everything

RIGHT HERE
I'll promise you somehow
That tomorrow can wait
For some other day to be
(To be) but right now
There's you and me

Oh we know it's coming
And it's coming fast
(As long as there's you
And me oh yea) so let's
Make this second last
Make it last

Right Here ohh right now

Yea I'm looking at you
And my heart loves the view
Cuz you mean everything

RIGHT HERE
I'll promise you somehow
That tomorrow can wait
For some other day to be
(To be) but right now
There's you and me

RIGHT HERE
I promise you somehow
Tomorrow can wait for
Some other day to be
(To be) but right now
There's you and me
(You and me) ohh
You and me but right
Now there's you and
Meee
