

Work This Out

High School Musical

How did we get from the top of
the world
To the bottom of the heap?

I don't recall you mentionin'
The boss is such a creep.

We still have the ingredients
to make this summer sweet.

Well, I got rags instead of
riches

And all these dirty dishes

Just wish I had three wishes

Okay guys break it up

We've got to work, work, work this
out.
We'll make things right
The sun will shine.
If we work, work there'll be no doubt
We can still save the summer
if we work this out

Dude what have you gotten us
into

Come on we can totally turn
this thing around

I'd rather face a seven footer
straight up in
the post

That sure beats hangin here
and burnin
someones toast

I needed Benjamins, but
this ain't worth the stress

Maybe there's a better way
to fix this greasy mess

We're a champion team,
a well-oiled machine,
and we've faced tougher
problems than this.
I know it's a grind, but
I'm sure we can find
a way to have fun while
we get this job done.
We've got to work, work
to work this out

We'll make things right
the sun will shine
If we work, work
there'll be no doubt
If we all come together
we can work this out!!

(Let's work it!)

Tell me what you want
Tell me what you need
A little bit of sugar
A little bit of butter
It's the perfect recipe!
Pay day!
It'll taste so sweet

Pay Day!

Good enough to eat
Gonna make some motion pictures
Hit the mall with all my sisters
Get tickets to the Knicks and Sixers
Kick it with the music mixers
Buy a ride that suits my style
Lounge around the pool and while
Make a date with my favorite girl
We've got it made!

workkkk

We've got to work, work
to work this out
We'll make things right,
the sun will shine
If we work, work
there'll be no doubt
We can still save the summer
If we work this out!
Work This!
Gotta Work This!
We can work this out!
