Work This Out

High School Musical

How did we get from the top of the world To the bottom of the heap? I don't recall you mentionin' The boss is such a creep. We still have the ingredients to make this summer sweet. Well, I got rags instead of riches And all these dirty dishes Just wish I had three wishes Okay guys break it up We've got to work, work, work this out. We'll make things right The sun will shine. If we work, work there'll be no doubt We can still save the summer if we work this out Dude what have you gotten us into Come one we can totally turn this thing around I'd rather face a seven footer straight up in the post That sure beats hangin here and burnin someones toast I needed Benjamins, but this ain't worth the stress Maybe there's a better way to fix this greasy mess We're a champion team, a well-oiled machine, and we've faced tougher problems than this. I know it's a grind, but I'm sure we can find a way to have fun while we get this job done. We've got to work, work to work this out

We'll make things right the sun will shine If we work, work there'll be no doubt If we all come together we can work this out!! (Let's work it!) Tell me what you want Tell me what you need A little bit of sugar A little bit of butter It's the perfect recipe! Pay day! It'll taste so sweet Pay Day! Good enough to eat Gonna make some motion pictures Hit the mall with all my sisters Get tickets to the Knicks and Sixers Kick it with the music mixers Buy a ride that suits my style Lounge around the pool and while Make a date with my favorite girl We've got it made! workkk We've got to work, work to work this out We'll make things right, the sun will shine If we work, work there'll be no doubt We can still save the summer If we work this out!
