

I dreamt you gave me a bottle of wine.  
Homeless as I am, you left at once.

My baby left a note, my baby left a note.  
My baby left a note, my baby left a note.

When I came home to Chernobyl, I am the bomb.  
I dream of nothing.  
When I came home to Chernobyl, I am the bomb.  
I dream of nothing.  
Chernobyl, Chernobyl.

I dreamt of embassies with warning flags.  
Ruthless as I am, I hunted you down.

My baby left the sign, my baby left the sign.  
My baby left the sign, my baby left the sign.

When I came home to Chernobyl, I am the bomb.  
I dream of nothing.  
When I came home to Chernobyl, I am the bomb.  
I dream of nothing.  
Chernobyl, Chernobyl.  
Chernobyl, Chernobyl.  
(I dream of nothing.)
