

Golden Ticket

Highasakite

God, if you're still watching
There's no more happy days.
God, if you're still watching
There's no more celebration.
Ah ooh, ah ooh, ah ooh.

Love, I need a ride
I need a proper high.
Love, I'm on your side
But we were never good, no.

Boy, can you hear me now?
I got a golden ticket, I'm out.
Boy, can you hear me shout?
I got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.

Love, I need a light
I need a proper high.
God, I really tried
But we were never good, no.
Ah ooh, ah ooh, ah ooh.

Boy, can you hear me now?
I got a golden ticket, I'm out.
Boy, can you hear me shout?
I got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.

I live in madness.
I live in reckless.
I live in silence.
I live in vibrance.
I live in madness.
I live in sadness.

I got a golden ticket.
I got a golden ticket.

Boy, can you hear me now?
I got a golden ticket, I'm out.
Boy, can you hear me shout?
I got a golden ticket, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.
I'm already gone, I'm out.

I got a golden ticket, I'm out.
