

# Hiroshima

Highsakite

Why should I know, why should I care?  
That a tiny little thing, like the sun will once will be gone  
I'm sure it won't be until long  
Besides you and I will both be gone

I should be digging my way to China  
With a shovel  
But winded up in Portugal  
Oh it's a long way to crawl  
And I missed the earth and it's blue walls

But when I pop my head up in Hiroshima  
Heaven is just like earth only upside down  
And I carelessly walk around  
I carelessly walk around

Nananana...

But when I pop my head up in Hi-ro-shima  
And I carelessly walk around  
I carelessly walk around

But when I pop my head up in Hiroshima
