

Anthem '84

Highwaymen

If you're lookin' for a fighter who'll defend you,
And love you for your freedom, I'm your man.
I ain't gonna leave you for the crazy things you're doin'
But don't ask me to lend a helpin' hand.

You were such a pretty dream as I remember.
You were young and strong and God was on your side.
But the vision slowly faded like the wonder from your eyes,
You traded your compassion for your pride.

But I still believe in all that we believed in.
And I pray to God that you will in the end.
And you'll see the golden chances that you're wastin',
And be the lovin' beauty that you can.

But I still believe in all that we believed in.
And I pray to God that you will in the end.
And you'll see the golden chances that you're wastin',
And be the lovin' beauty that you can.

Be the lovin' beauty that you can.
