

Waiting for a Long Time

Highwaymen

I've been waitin' for a girl like you.
Been waitin' for a long time.
And I've been waitin' for a love that's true.
Been waitin' for a long time.

I been waitin' for blue skies.
Been waitin' for blue eyes.
Waitin' for a long time.
I've been standin' in the pourin' rain.
Waitin' for you-oo.
Waitin' for a long time.

I've been starin' at a miracle of misery.
Been waitin' for a long time.
I've been prayin' for a miracle of mystery.
Been waitin' for a long time.

I've been hopin' that some day,
Love will find me some way, yeah.
Waitin' for a long time.
I've been waitin' for a long, lost train,
Waitin' for you-oo-oo.
Waitin' for a long time.

I've been waitin' for a girl like you.
I been waitin' for a long time.
And I've been waitin' for a love that's true.
I've been waitin' for a long time.

I've been hopin' that some day,
Love will find me some way.
Waitin' for a long time.
I've been standin' in the pourin' rain,
Waitin' for you-oo.
Waitin' for a long time.

I've been waitin' on a long, lost train,
Waitin' for you-oo-oo.

Waitin' for a long time.

Waitin' for a long time.
