

# Break My Heart

Hilary Duff

Someone always gets their hearts stomped to the ground  
This is what I see every time I look around  
I never thought that this would happen to me  
I never thought I'd end up this way

And now that you're through with me  
Don't know what to do with me  
I guess I'm my own again  
Like I'm some kind of enemy  
Never a friend to me  
Remember when you used to say  
Things will always be this way

[Chorus]

Why don't you, break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

Now I'm trying to get my heart up off the ground  
My confidence is gone  
Happiness can not be found  
So look what you did to me  
You got the best of me  
And now I'm stuck with all the rest  
It will never be the same

Why don't you, break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

Break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

All I ever wanted  
Has left me standing here alone  
It started with you and ended with me

All I ever needed  
I had it with you in my arms  
It started with you and ended with me

Break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

Why don't you, break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

Why don't you, break my heart  
Watch me fall apart you see  
I'm falling apart, look what you're doing to me

Why don't you, break my heart  
Break my heart  
Break my heart

Break my heart  
Break my heart  
Break my heart  
Break my heart
