

Fly

Hilary Duff

1. Any moment everything can change
feel the wind on your shoulder
for a minute all the world can wait
let go of your yesterday

X: Can you hear it calling
can you feel it in your soul
can you trust this longing
and take control

R: Fly open up the part of you that wants to hide away
you can shine
forget about the reasons why you can't in life
and start to try cause it's your time
time to fly

2. All your worries leave them somewhere else
find a dream you can follow
reach for something when there's nothing left
and the world's feeling hollow

X: Can you hear it calling...

R: Fly open up the part...

*: And we're you're down and feel alone
just want to run away
trust yourself and don't give up
you know you better than anyone else

3. Any moment everything can change
feel the wind on your shoulder
for a minute all the world can wait
let go of your yesterday

R: Fly open up the part of you that wants to hide away
you can shine
forget about the reasons why you can't in life
and start to try start to
fly Forget about the reasons why you can't in life
and start to try cause it's your time
time to fly

Any moment everything can change
