

Haters

Hilary Duff

Don't spit on me and shame yourself
Because you wish you were some one else
You look so clean but you spread your dirt
As if you think that words don't hurt

You build up walls no one can climb
The things you do should be a crime
You're the queen of superficiality
Keep your lies out of my reality
And when you're nice it's just a pose
You're one of those

Haters, traitors to the human race
Haters, what a drag, what a waste
I'd like to see them disappear
They don't belong anywhere
Haters, haters

Spinin' a web that's hard to see
Of envy, greed and jealousy
Feelin' angry but you don't know why
Why don't you look me in the eye?
You want my friends, you want my clothes
You're one of those

Haters, traitors to the human race
Haters, what a drag, what a waste
I'd like to see them disappear
They don't belong anywhere
Haters, haters
Haters, haters

Different back bones, different species
Broken promises and treaties
Talkin' 'bout exterminating
Not the haters
Just the hating

You say you're boyfriend's sweet and kind
But you still got your eyes on mine
Your best friends got her eyes on yours
It all goes on behind closed doors
And when you're nice its just a pose
You're one of those

Haters, traitors to the human race
Haters, what a drag, what a waste
I'd like to see them disappear
They don't belong anywhere

Haters, later bought alibies
Haters, any shape, any size
I'd like to see them disappear
They don't belong anywhere
Haters, traitors
Haters, haters
Haters, haters, haters
